About the Author

Dr. Andrew Dutta (www.astroandrewkp.org) is popularly known in the field of astrology and among his innumerable clients as 'Sri Indrajit'. He was born on 7th September 1975 in Calcutta (now Kolkata) in a family that is continuing astrological practice for the last 200 years.

Andrew's maternal great grandfather was Sri Surendranath Jyotir Vachaspati of Khulna in Bangladesh who handed down the lineage to Andrew's mother, Srimati Deblina, an eminent and illustrious astrologer of Kolkata. Even though he was initiated in to the field of astrology by his mother, Andrew was extensively trained and groomed by Kolkata's famous astrologer Jyotiryogi. Andrew was very fortunate to be the only disciple of Jyotiryogi who not only groomed and trained Andrew in the field of astrology but also taught him and shared with him all the experiential knowledge that Jyotiryogi gained in his 40 years of experience.

Andrew is one of the all India record holders by scoring 99% in the Indian Secondary Council Examination, New Delhi, 1994 in the paper 'Structure of Commerce'. He graduated from the St. Xavier's College, Calcutta with a First Class in Accountancy in 1997 and completed his post-graduation in Business Finance from the University of Calcutta in 1999. Andrew was awarded a **Gold Medal** by the University of Calcutta for academic excellence and ranking 'First in First Class' in the University.

He completed his MTP from IIMT in 2004 in the field of Human Resource Management and is trained as a researcher. He was a Visiting Research Scholar to Bentley College, Massachusetts during 2004-2005, where he developed his PhD thesis in Information System. Currently, Andrew is working as a Professor in Management in an ivy league business school in India.

Andrew is also a professional astrologer who regularly practices in his house for the clients. Before coming to Hyderabad in 2002, he used to professionally consult in Kolkata and was a strong voice against the rationalists denigrating astrology. Andrew's first book '*Jyotish Shastrer Biagnanic Vitti*', written in Bengali, is a very popular book amongst the astrologers and general public. Andrew was awarded the title of '*Jyotish Bibhakar*' and '*Jyotish Vidya Ratna*' by the Krishnamurti Institute Of Astrology, India.

Author's Note

My dear valued Learner,

Thank you for buying my Home Video Course in Astrology: Birth Time Rectification through Krishnamurti Paddhati. I am sure you will love this course and cherish it throughout your life. This course is the result of my 200 years of astrological heritage that I carry with me. Since my article in the Express Star Teller in June 2007, innumerable readers told me to explain the concept further with many examples and illustrations. And I thought that its time to share with you one of our family's astrological technique.

Since the first edition of this Video course in 2008, there has been a strong demand for more copies. There was a huge delay in getting this 3rd reprint ready due to lot of technical issues. Hundreds of people have been waiting for the last few years to get a copy of this course. That wait is now finally over.

As the First edition 2008 was hugely popular, I have not changed any of this original content. You are still getting the pure and authentic knowledge as I propagated in 2008.

Before I end this personal note to you, I would like to thank my mother, father, my two Gurujis , my wife Moumita and my lovely little daughter Maitreyi for being so supportive and self-sacrificing. It is only because of their concerted effort and guidance that I was able to give you this which you are now holding in your hand. Last but not the least, without Lord Ganesha, Lord Batuk Bhairav, Lord Jesus Christ and Goddess Saraswati's blessing, I would have never known what is astrology.

Wish you a very fruitful learning.
Always yours,

Andrew Dutta
